

## REPORT TO SUPPORTERS

It is with our deepest gratitude that we send this email to you as a supporter of the Taylor Toller Memorial Fund. We are pleased to inform you that our family has chosen to recommend this year's grant from the Fund to the Calgary Humane Society and their Petsafe Keeping Program.

The Petsafe Keeping Program provides short-term housing at no charge for animals belonging to individuals in crisis due to family violence or abuse. The Petsafe Keeping Program offers safety planning and support to victims of domestic violence and provides a safe alternative to remaining in a situation that is dangerous to both themselves and their pets.

We are also pleased to report that the Fund balance is now over \$24,000. The money contributed goes directly into the Fund, which is administered and invested by the Calgary Foundation. Each year a percentage of the Fund's market value (currently 4%) are distributed to charities we recommend that support family violence, mental health and addictions.

Once again, on behalf of Taylor, the Toller/French family and all the charities who will benefit in the years to come... THANK YOU!

Sincere regards,
